Explanation of significant increases in the budget:

Due to the state rollback requirement, some of the levies outside of the \$8.10 levy, were raised a small amount from the current year budget to just maintain the same amount of dollars currently coming to the city.

*Total city tax rate will also include voted general fund levy, debt service levy, and capital improvement reserve levy.

**Budget year effective property tax rate is the rate that would be assessed for these levies if the dollars requested is not changed in the coming budget year
