**Explanation of significant increases in the budget:**

Due to the state rollback requirement, some of the levies outside of the \$8.10 General Tax levy, were raised a small amount from the current year budget to just maintain the same amount of dollars currently coming to the city.

\*Total city tax rate will also include voted general fund levy, debt service levy, and capital improvement reserve levy.

\*\*Budget year effective property tax rate is the rate that would be assessed for these levies if the dollars requested is not changed in the coming budget year
